January 14<sup>th</sup>, 2021

Dear brothers and sisters,

On January 14, 2021, the Government of Ontario begins a "Stay-at-Home" order for a period of 28 days. In light of the new travel restrictions, Calvary Logos Baptist Church (CLBC) will be closed during the period of "stay-at-home" order. The curbside offering will also be suspended until the end of the state of emergency to avoid non-essential travels.

The Church Staff members will continue to go into CLBC for essential operations and will exercise their best judgement to adjust their endeavor to be able to work from home. We remain active and available for our ministries.

Our church leaders believe that worship is an essential activity. With the newly announce State of Emergency, the provincial and city regulations and guidelines for religious service had remain unchanged. We will continue to broadcast our virtual service from our church site. Our health and safety protocols are put in place in deference to and in compliance with existing government regulations and guidelines. There is little evidence to suggest place of worship as a cause of transmission and we have had an excellent record during this time of the pandemic.

Our pastors and supporting worship volunteers who choose to serve in-person are expected to follow all health and safety protocols in place. On the other hand, our pastors and supporting worship volunteers are welcome to serve virtually from home. We appreciate and bless all who continue to serve and make our virtual Worship Services possible during these trying times.

Pastoral and councils will continue to scrutinize any new developments and will send out the updates when deemed appropriate.

Serving Him with you,

Andy Chan

on behalf of CLBC council
